

As you know the Ontario Government requires proof of full vaccination in order to gain entry into fitness clubs starting September 22, 2021.

VACCINATION REGISTRATION

To streamline future visits, however, you may consent to having MOVATI Athletic add a notation to your profile at the time you provide your proof of vaccination and identification so that you do not need to continuously present proof at each visit. If you wish to take advantage of this opportunity to streamline future entries, please attend the **Express Service table that has been set up at your MOVATI location.**

For those who choose to use the **Express Service**, providing your proof of vaccination and identification will be a **one-time process.***

If you choose not to use the Express Service, however, you will be required to provide proof of vaccination and identification at each visit.

REQUIREMENT FOR PROOF OF VACCINATION

In compliance with Ontario Government regulations, MOVATI will require all members to show the following documentation, for visual inspection only, in order to gain entry to our Ontario clubs:

- **Your physical or digital vaccination receipt; and,**
- **Your Government-issued ID that confirms your identity and date of birth** (such as driver's license or health card)

For additional details and FAQ's about Ontario's Requirement of Proof of Vaccination in Certain Settings, including information about medical exemptions, please visit the [Ontario FAQ](#) page. MOVATI vaccination [registration details and FAQs](#) are also available online at: www.movatiathletic.com/covid-19-faq

ARRIVE EARLY

As we work through the vaccination verification process this week, to ensure you arrive for scheduled activities on time, like Group Fitness classes and Personal Training sessions, please arrive 15 minutes early to avoid lateness. Until Sunday Sept 26th, we will allow a 5-minute grace period for class entrance.

Whether online, or in-club, **please be tolerant and kind** when interacting with fellow members and our MOVATI team members.

We are committed to making every MOVATI visit a welcoming experience.

Yours in Good Health,

MOVATI Team

*We reserve the right to perform future random spot checks to confirm the accuracy of your vaccination history and this may include you having to produce confirmation through your enhanced vaccination certificate.
